THE PRIMO ADVANTAGE

Versatility

Grill, smoke, roast, or bake.

Functionality

Cook direct and indirect (grill and smoke), at the same time. Increase the total cooking surface to accommodate more food. Partition the grill to conserve on fuel.

Efficiency

With 60% more efficiency than competing cookers, Primo offers superior heat and moisture retention.

Durability

Primo's high quality ceramic frame stands up against even the the most extreme cooking temperatures and weather conditions.

Quality

Each Primo is hand-made, carefully inspected for quality at our Atlanta, GA based factory, and guaranteed with a 20 year warranty on ceramic parts.

Capacity

With up to 680 sq/in of available space, the Primo Oval XL boasts the largest, multi-tiered cooking surface on the ceramic cooker market today.
